

Our Renegade Two-Seater is the same length and width as our Renegade Single, eliminating the need for two pit lanes. Now, when utilizing our floor charging system, single and double karts can intermix in the same pit lanes. This is also a great gas powered kart, built with the same high standards as all Formula K products.

Specifications

Length: 88 in.

Width: 45 in.

Height: 40 in.

Weight: 475 lbs.
